

Look closely

An observation and a guess

Before the reveal

Write two things you can see.

I can see...

I can also see...

Match each label to a description.

Draw four lines. The descriptions are mixed up.

- | | | |
|---------|---|-----------------------------------|
| Colour | • | • Short lines run around the rim. |
| Count | • | • The outside edge curves. |
| Shape | • | • The surface is yellow. |
| Pattern | • | • Two dark holes are visible. |

Make a guess

I think it is _____

because I can see _____

Wait for your teacher to show the whole object.

What new detail can you see now?
